During this torrid encounter, O'Hannon put The Backbreaker on Soto, but it had very little effect on him. Soto, likewise, tried The Abdominal Stretch on O'Hannon, but that had very little effect on him, as well. After the bell rang to signal the end of the match, they were both still at it.)
Baron Scicluna W. Lee Wong (Scicluna Punched Wong in the chest, and started Kicking him. Wong then fell to the floor, and Scicluna went for the pin.)
Greg Valentine W. Dom DeNucci (During this wild encounter, DeNucci had Valentine's legs between the ring post, as he attacked them from the outside of the ring. The referee started to warn him, that if he did not get back in the ring, he would be disqualified. At the end of this match, Valentine Kicked DeNucci, who fell to the ring floor. Valentine then picked DeNucci up, and elbowed his head. DeNucci, once again, fell and was pinned. DeNucci had his foot on the ropes, during the pin, but the referee did not see it, and declared Valentine the winner.)
Special Delivery Jones W. Jerry Johnson (Jones Head Butted Jerry, who fell to the floor, and Jones went for the pin.)
Tony Atlas W. The Magnificent Muraco (Steel Cage Match: Atlas rammed Muraco's forehead into the cage, and made Muraco bleed. Muraco seeing himself bleeding, went wild and started to attack Atlas. Atlas, at this point, also started to bleed. The finale came, when Muraco threw Atlas **across** the ring, Atlas fell on the door, and opened it. He slid through the door, down the steps, on to the arena floor, and was declared the winner.)
Pedro Morales W. The Masked Executioner (Morales was trapped between the ropes. When the referee freed him, from the ropes, Morales went berserk. Morales started to Kick The Executioner in the groin. The Executioner fell to the mat, and Morales pinned him.)
Pat Patterson W. King Kong Mosca (Before Patterson could take off his jacket, Mosca attacked him from behind, throwing Patterson out of the ring, on to the arena floor. Patterson, for awhile, looked like he was out cold. Patterson finally got up, and entered the ring. Upon entering the ring, he went berserk on Mosca. Patterson finally won, with a Flying Body Press into a pin.)

1/18/82 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK
Davey O'Hannon W. Manuel Soto (By pin, with a One Leg/½ Jack-Knife, after a Spinning Neck-Breaker.)
Larry Sharpe W. Jose Estrada (By pin, with a One Leg/½ Jack-Knife, into a Double Leg/Full Jack-Knife Cradle type hold.)
Charlie Fulton W. Johnny Rodz (By pin, with a One Leg/½ Jack-Knife.)
Greg Valentine W. Pedro Morales -DQ. (During this rough struggle between Greg & Pedro, the referee was knocked down, to the mat, by error. While the referee was down, on the mat, Valentine pulled from his wrestling trunks, a foreign object, Brass Knucks. Morales got a hold of The Brass Knucks, and nailed Valentine, with the foreign object. The referee, who regained his composure, saw Morales with The Brass Knucks, and promptly disqualified him, giving the decision to Valentine. This was a big injustice against Morales. Greg & Pedro mixed it up quite well, in this brutal affair.)
Jesse Ventura W. Dom DeNucci (By pin, with a One Leg/½ Jack-Knife, after a Flying Elbow Drop, to the throat, and upper chest area.)

Adrian Adonis W. Bob Backlund -T.K.O. (At the opening of this bout, Adonis smacked Backlund in the face. Backlund, then, returned the favor, to Adonis. Bob Weakened up Adonis, with a couple of devasating giant Body Slams, as the battle continued. Adonis used a Neck-breaker, Power Slam, Suplex, and a Pile-Driver, to try and wear down Bob. None of these moves did the trick, to do in Bob. Adonis then resorted to striking Backlund in the groin area. Backlund, then, returned the favor to Adrian. Adonis then caught Backlund in his "Goodnight Irene"-Sleeper Hold, but Bob escaped, and fell out of the ring. Bob was then smacked, head first, into the steel ring post, a couple of times, by Adonis. Backlund was cut bloody over his eye, do to this wild action. Adonis and a Bloodied Backlund, fought like wildcats. Bob did not want to quit. The referee, then stopped the bout, and gave the winning decision, via by Technical Knock Out (T.K.O.), to Adonis. Backlund lost, because of his very bloody condition. Backlund, at the finale, still gave Adonis, a good going over.)

Tony Garea & Rick Martel W. Mr. Fuji & Mr. Saito -DQ. (Special Guest Referee, Pat Patterson: The end came as Martel had a sensational Sleeper Hold on Saito. Fuji then had an altercation, with referee, Patterson, who tried to stop him, from interfering, when Martel was trying to defeat Saito. Fuji then started his routine, on the referee, and threw salt in the eyes and face of referee, Patterson. Pat was devasted by this action, and was out of commission, temporarily. Garea & Martel came to the referee's aid, and cleared the area of the rule-breaking Orientals. Referee, Patterson disqualified Fuji, for his unsportsmanlike conduct. So the team of Fuji and Saito, once again, lost via the disqualification route. Garea & Martel, of course, were declared the victors, of this tough encounter.)

Tony Atlas W. The Masked Executioner (By pin, with a fantastic Flying Big Splash, after a Super Flying Head-Butt off the corner turnbuckles.)

Ivan Putski W. Killer Khan (Ref. Dec.) (This bout went to the time limit-curfew. The referee gave Putski, the winning decision. At the closing bell, Ivan was giving Khan, a good beating, by punching Khan's face.)
